

Learning sports skills and having FUN do not have to be mutually exclusive! Our teaching techniques maximize learning and fun while keeping kids very active. We aim to teach fundamental skills through active learning and participation, stress teamwork and sportsmanship, and strive to create an atmosphere that will enrich each child's sports experience. We achieve this by providing an exciting curriculum and enthusiastic, well trained instructors. While teaching and having fun are important, creating a SAFE and welcoming environment is the foundation that we build upon.

**There are NO REFUNDS if you withdraw from the program after the Deadline Date.**

A completed Health Form and copy of immunizations is due on the Deadline Date. If you have not turned in your Health Form and Immunizations by that date your child cannot attend camp.
